

Pin the **CHERRY** on the **BOOBY CUPCAKE!**

Did you know?

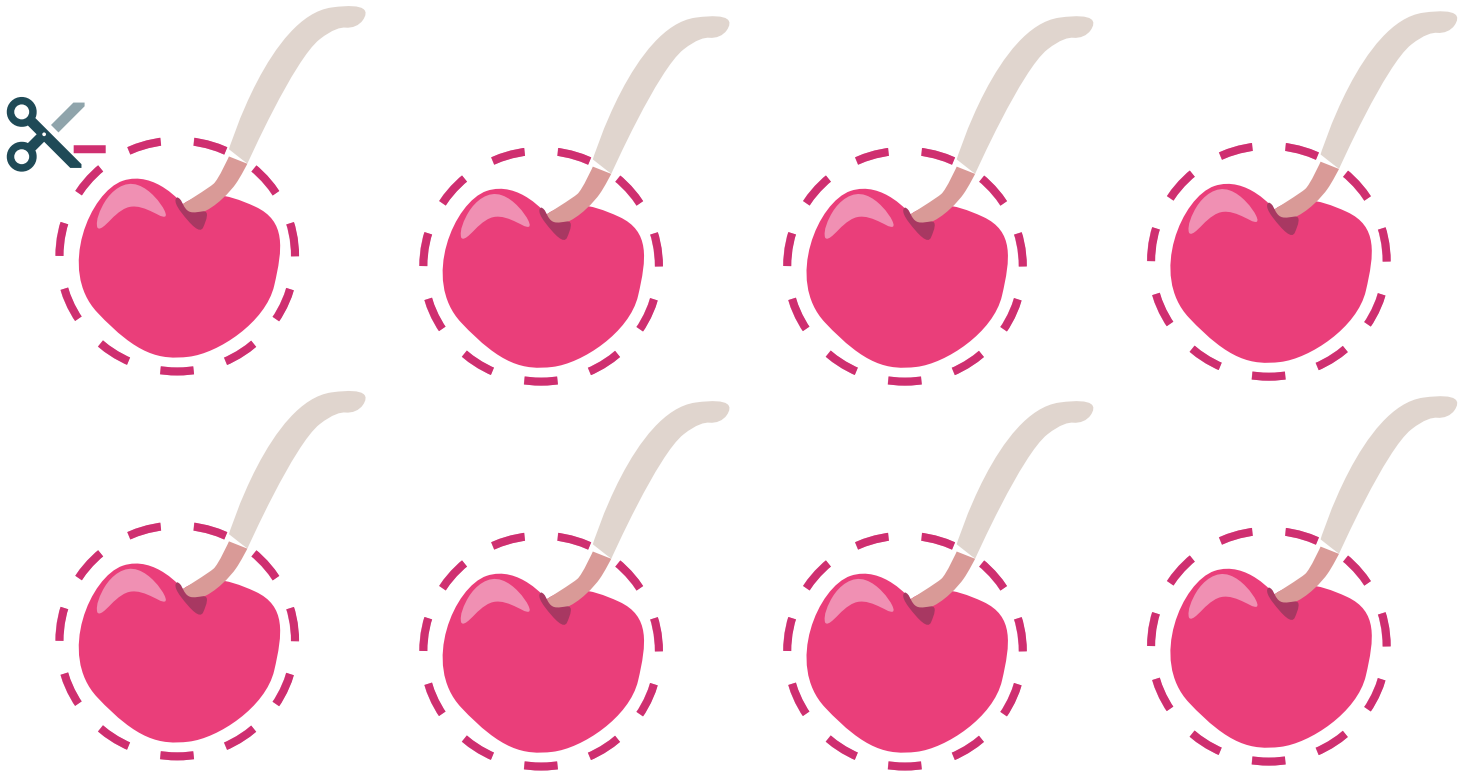

The idea originally came from Jacky Robertson, a previous Chair of our Cheltenham group! Jacky said that after surviving mastectomy and breast cancer treatment, having reconstruction and getting her natural shape/cleavage back was... "the cherry on the top of the cake!" ...and our Booby Cupcake Month fundraiser was born. Thanks Jacky! ;)

HOW TO PLAY?

- 1 Pin the poster up on a wall and cut out the cherry's below
- 2 Put some tape or blue tac on the back of each of the cherry's
- 3 Safely blind fold a player and guide them in front of the Poster - but NO PEEKING!
- 4 The blindfolded player who puts the cherry on top closest to the image WINS!

Suggested donation of 50p per turn.

PIN THE CHERRY ON THE BOOBY CUPCAKE!

Why not try...

Sticking to the CHERRY theme - why not play 'The Cherry Jar!' Use a jar or a pot from home, it needs to be clear so that you can see inside. Fill the jar with cherries, counting as you do it! Ask guests to pay to play. Whoever gets the closest to the correct amount wins. You could either give them half the money collected or supply a small prize. Then - enjoy eating the cherries or use them to top a Bakewell Tart! You could always do something else cake related if you didn't want to do cherries, guess the number of jellybeans, guess the weight of the sprinkles etc... Anything works!
